## All Our \$1 Undermuslins Special 90c Special

The Palais Royal's reputation for superior under-  
muslins dates back years. Certainly there are  
few Washington women who have not ap-  
preciated the wonderful undergarments we sell  
regularly at \$1—qualities not to be excelled  
anywhere.

This year it has been more than ever difficult to se-  
cure qualities that measure up to our rigid standards to  
sell at \$1, and in the face of the existing market and taking  
into account the remarkable qualities we offer, this one-  
day special price of 90c is exceptional.

Some of the garments are trimmed with exquisite laces—  
some even hand-embroidered. Dozens of styles to choose  
from including bloomers, drawers, petticoats, chemise, covers,  
etc., etc., made from finest nainsook, cambric and longcloth.  
Some have very elaborate yokes. All are perfect as to fit,
